

Sujata mam board

Noon session 27.03.17

Lasted 30 mins roughly

Home state: U.P. (Varanasi)

Background: b.Tech comp Sci, No work ex

Optional: geography

Hobbies: reading crime and fantasy fiction and writing fanfiction, calligraphy, board games

1. So you are a reader and you write too.
 - a. Yes mam i have written fanfiction
2. What is fan fiction
3. So you write it for yourself or you have got it published
4. So is the copyright an issue for this particular author or is it the case for every work?
For eg jane austen or jane eyre
5. What do you think about IPR
6. The internet is so successful because it was available to all. Do you think that everything should be open to all?
7. What about traditional knowledge?

M2:

1. So you are a sportswoman, do you still play?
2. Who invented basketball?
3. Which institution is linked with its invention?
4. So we talked about IPR. You mentioned medicines. Tell me, pharma companies invest millions in R&D, and it takes years to even develop a new drug. The CDRI has not developed a drug in over 40 years. And then the govt says that they should let the generic drug makers access these drugs. Do you think that they would want to invest in developing new drugs then?
5. Have you heard of the term 'adequate profit'? SC said that the toll companies on the delhi jaipur expressway have made adequate profit. What do you think about this?

M3:

1. Ok you are from Ambedkarnagar(I'm not!), what is the main produced in Ambedkarnagar?
2. In UP the govt is working towards improving electrification. What is the status on the ground.
3. Your background is comp Sci Engg. How would you use it if you become the administrator of a district?
4. Ok you like reading. Can you tell me which book are the following lines from, spoken by whom and the author.
5. (All animals are equal, but some are more equal than others - Animal Farm, napoleon, George Orwell)

M4:

1. Ok you are from Ambedkarnagar(I'm not, Its listed as my birthplace) was it named something else earlier?
2. What do you know about the contributions of Ambedkar?
3. What types of reservation are there?
4. Are they permanent in nature or temporary?
5. SC introduced a novel concept in a reservation category, what was it? (Creamy layer)
6. In Which case? (Indra Swahney)

M5:

1. Your optional is geog. Do you know about kharif and rabi?
2. Which crops?
3. Name some commercial crops.
4. Name some rhizomes
5. In India women put turmeric on face often. Why? Are there any medicinal properties?
6. You like reading crime fiction, have you heard of Arushi murder case? Tell us about it.
7. Do you think it is a rarest of rare case?

Board cordial and encouraging.
